# How to Add a Linked File from SlideShare

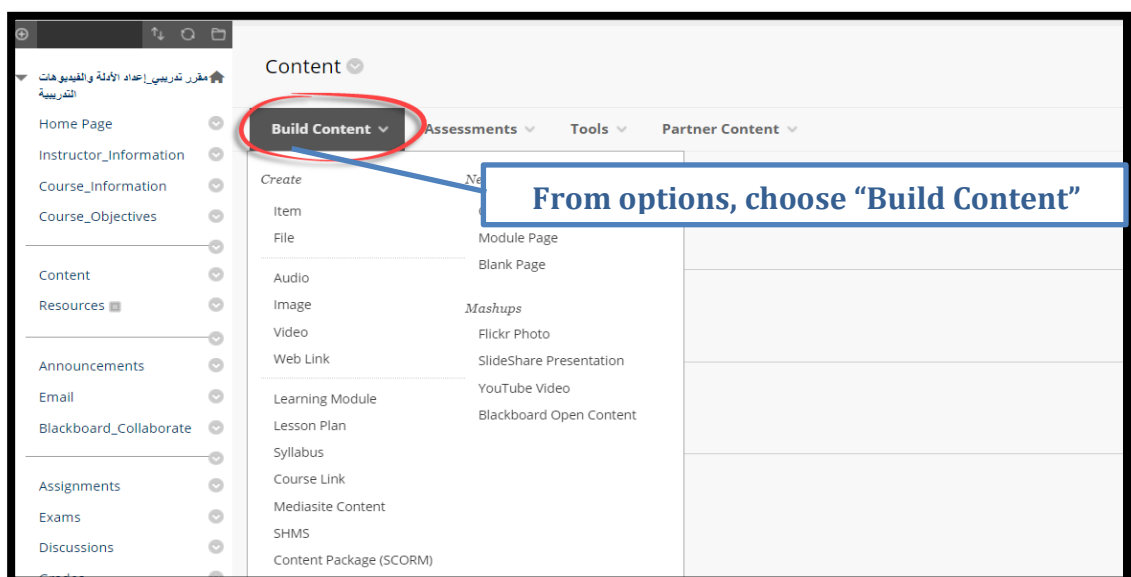

E-Learning Management System gives you an option of adding PowerPoint presentation from Slideshare.net. This is one of the most popular websites for sharing presentations. It basically relies on PowerPoint presentation not videos.

To add a presentation link from SlideShare, please follow the steps:

1.

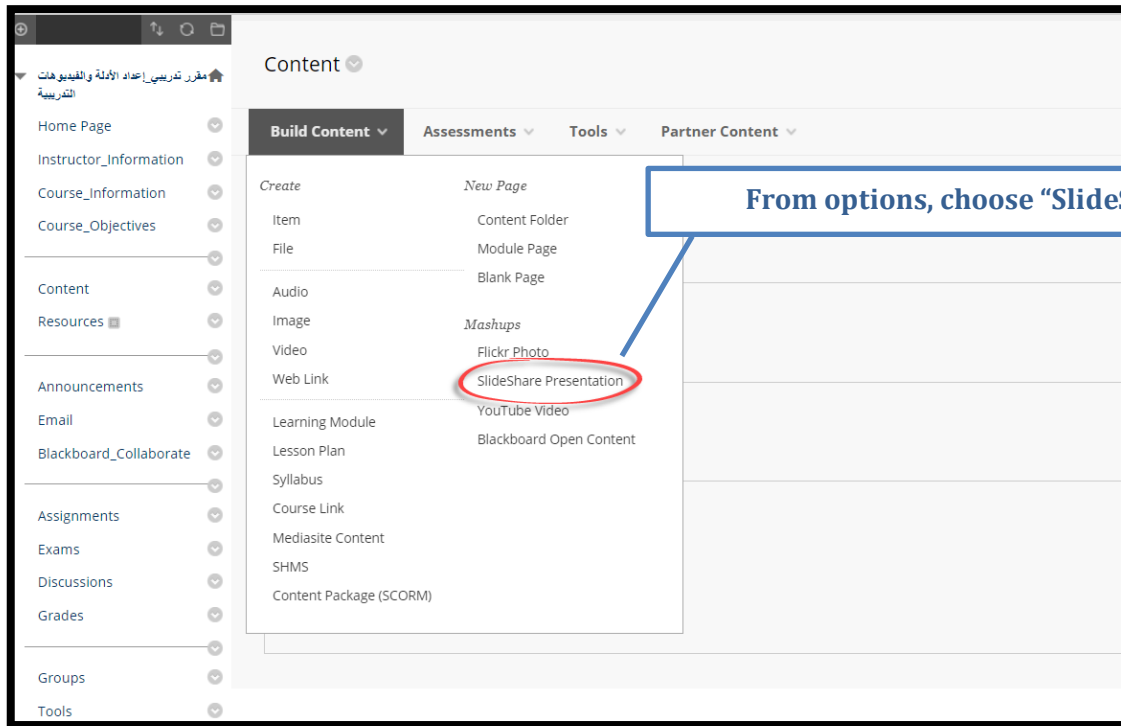

2.

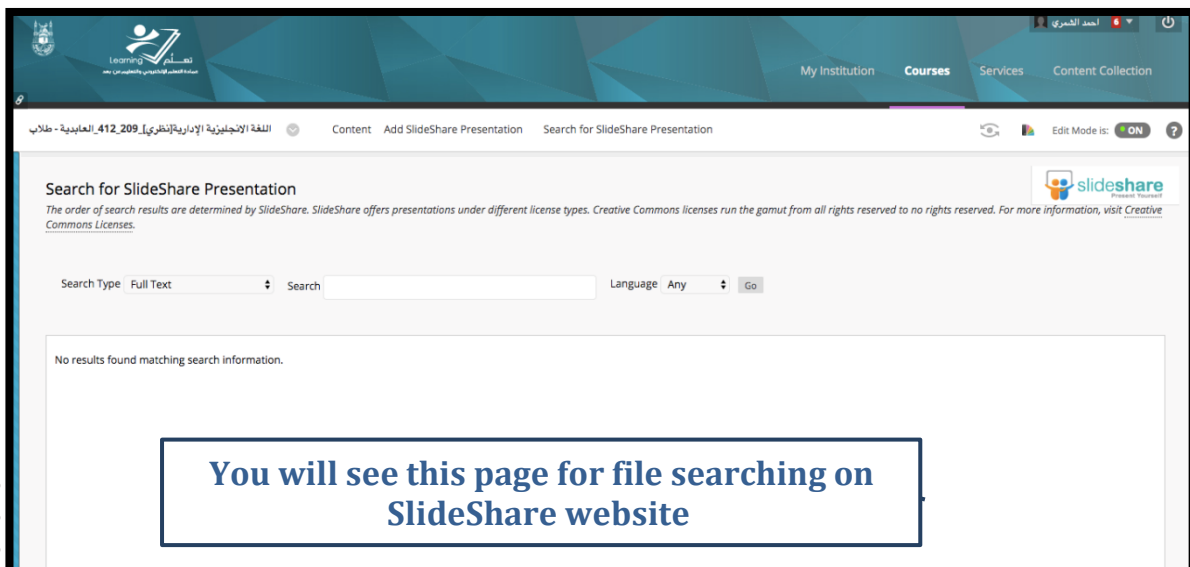

### 3.

### 4.

## 5.

### Search for SlideShare Presentation

The order of search results are determined by SlideShare. SlideShare offers presentations under different license types. Creative Commons licenses run the gamut from all rights reserved to no rights reserved. For more information, visit [Creative Commons Licenses](#).

**To add a file to your course, write its name**

Search Type: Full Text    Search: Imam Malik    Language: Any    **Go**

No results found matching search information.

**After writing the file's name, click "Go"**

6. You will see the all results related to your search, choose the PowerPoint that you want to attach by clicking “Select” or choose “Preview” to see the file you chose before you attach it.

### Search Results

The order of search results are determined by SlideShare. SlideShare offers presentations under different license types. Creative Commons licenses run the gamut from all rights reserved to no rights reserved. For more information, visit [Creative Commons Licenses](#).

Search Type: Full Text    Search: Imam Malik Fiqh    Language: Any    Go
