## **community service**

The High Commission for the Development of Riyadh, Saudi Arabia organized an international competition within the activities of the third housing symposium for the design of urban residential neighbors under the slogan: "A Neighborhood ... Residence and Life", what was hold in Riyadh during the period of 25 - 28 March 2007. The competition was for architects and planners (students and professionals) from around the world. According to the requirements the DIA students (studio 6 & 8 with supervision of faculty member's) took part in groups, The DIA students won the first, and the second and third prices, and the first Promotion price. <https://old.uqu.edu.sa/wfmoustafa/ar/93595>

Furthermore the DIA students took part in several competitions e.g. Prince Sultan bin Salman Award for Urban Heritage more than onetime and thy won the award several times too.
