

**Educational Methods
 (2015/2016)**

Code	Course Title	Teaching Methods					Other
		lecture	Class activities	Laboratory experiments	Seminars and discussion	Field trips	
4800140-4	Introduction to Mathematics 1						
4800170-6	English Language						
4800152-2	Computer Skills1						
4800130-4	General Physics 1						
4800171-4	Technical English						
4800141-4	Introduction to Mathematics 2						
4800153-3	Computer Programing Skills						
4800104-3	Learning and study Skills						
801171-5	Architectural Design 1						Individual interaction with the students
801115-2	History of Architecture						
605101-2	The Holy Quraan1						
601101-2	Islamic Culture 1						
501101-2	Arabic Language						
801103-2	Shadow & perspective						
801112-2	Design Process and Methods						
801172-5	Architectural Design 2						Individual interaction with the students
801128-2	Building Construction 1						Working Drawings
605201-2	The Holy Quraan 2						
601201-2	Islamic Culture 2						
801117-2	Theories of Architecture 1						Quiz
801141-2	Computer Applications 1						
801116-2	Islamic Architecture						
801271-5	Architectural Design 3						Individual interaction with the students
801222-2	Building Construction 2						Working Drawings
605301-2	The Holy Quraan 3						
801223-3	Building Science 1						
601301-3	Islamic Culture 3						
801316-2	Theories of Architecture 2						Quiz
801244-2	Computer Applications 2						
801216-2	Islamic Science for Architecture						
801272-5	Architectural Design 4						
801224-2	Building Construction 3						
803227-2	Structure in Architecture 1						
801232-2	Urban Planning 1						Educational and Documentary Movies
801225-2	Building Science 2						
801231-2	Housing						
605401-2	The Holy Quraan 4						
801371-5	Architectural Design 5						Individual interaction with the students
801327-2	Building Construction 4						
803327-2	Structure in Architecture 2						
803312-2	Surveying						
801326-2	Properties of Materials						
102101-2	The Biography of Prophet Mohammad (pbuh)						
801333-2	Urban Planning 2						
801317-2	Theories of Architecture 3						
801256-2	Summer training 1						Surveying
801372-5	Architectural Design 6						Individual interaction with the students
801361-2	Interior Space Design						
801357-2	Working Drawings						
803427-2	Structure in Architecture 3						
801334-2	Outdoor Space Design						
801335-2	Landscape Architecture						
801471-5	Architectural Design 7						Individual interaction with the students
801418-2	Graduation Research Project						
801443-2	Islamic Sciences: Application in Environment						
801454-2	Construction Management						
801352-2	Summer training 2						
801801-2	Urban Heritage and Experience of KSA						
801802-2	Modern Technologies in Construction Buildings						
801472-5	Architectural Design 8						Individual interaction with the students
801444-2	Contemporary Human Ecology						
801458-2	Building Economy						
801803-2	Mega Structure Buildings						
801804-2	Sustainability and Green Architecture
