

Randa Fathi Soliman Mohamed Abdou

(Ass. Prof. at the Department of Pharmacognosy, Faculty of Pharmacy, Umm Al-Qura University)

PERSONAL PROFILE

Nationality: Egyptian

Marital Status: married

Date of Birth: 21.2.1976

Address: Faculty of Pharmacy UQU (Work).

E-mail: rfabdou@uqu.edu.sa; randafathi@ymail.com

EDUCATION

Ph.D. in natural sciences 2011, Germany:

Thesis Title: Bioactive secondary metabolites from the endophytic microorganisms of the medicinal plant *Bidens pilosa*

Advisor: Prof. Dr. Christian Hertweck / Friedrich schiller Universitaet Jena / Germany

MSc. 2004 at the Department of Pharmacognosy & Phytochemistry, Faculty of Pharmacy, Helwan University, Cairo, Egypt.

Thesis Title: A phytochemical study of certain species of *Reseda* whics to the family *Resedaceae*.

Advisor: Prof. Ibrahim Mahmoud; Ass. Prof. Dr. Iman Haggag, Helwan University

**BSc. 1999 at the Faculty of Pharmacy, Helwan University,
Cairo, Egypt.**

SPECIALIZATION: Pharmaceutical sciences

German Abitur 1994 at the German international school in Bab El Louk, Cairo, Egypt.

**TRAINING
PROGRAMS,
WORKSHOPS
& SEMINARS**

Symposium about "Natural product from symbiosis" in Bad Schandau, Germany (2007)

Seminar about "Bioactive natural products " in Halle, Germany (2007)

Seminar about "Natural product research" in Wuerzburg, Germany (2008)

Workshop about "The biosynthesis of new natural products" in Berlin, Germany (2009)

Seminar about "Exploring new horizon in pharmacy practice in Saudi Arabia" in Jeddah, KSA in 2014

Workshop about "international diabetes day" in Makkah, KSA in 2015

Workshop about "Teaching skills" in Makkah, KSA in 2015

Workshop about "Critical thinking" in Makkah, KSA in 2015

Workshop about "Problem-based learning" in Makkah, KSA in 2015

Speaker in a Seminar about "Effective vaccination during pregnancy and breastfeeding" in Al Azizia Hospital, Jeddah, KSA in 2016

Workshop about "Assessment for learning" in Makkah, KSA in 2016

Participant in the workshop about "Choosing a specialization" presented to UQU female preparatory year students in 2016,2017 and 2018.

Attendance of the Second research day conference of medical colleges at UQU in 5/3/2018.

Participation in the Introduction to scientific research & research ethics in 15/3/2018.

	<p>Attendance of First Research day Conference of medical colleges at UQU in 11/4/2018, Makkah, KSA.</p> <p>Participant in the workshop for community service about "Medication errors" in 31/1/2019 in Alazizeya hospital for maternity, Jeddah, KSA.</p> <p>Attendance of the Thermo Fisher Scientific's analytical solutions food & environmental seminar series in 10.9.2018, Jeddah, KSA.</p> <p>Attendance of Velp scientific seminar on food, feed & environmental solutions in 20.2.2019, Jeddah, KSA.</p> <p>Attendance of Advanced analytical techniques & sample preparation solution for complex matrices in 20.12.2018, Jeddah, KSA.</p>
