

Curriculum vitae (C.V.)

Name: Faisal Ateeq Almalki	
Postal address: Batha Quraysh, Makkah, Saudi Arabia	
Telephone number: 0553553943	Email address: famalki@uqu.edu.sa
Comprehension Languages; Arabic and English	
Current and previous job description; Assistant lecturer in Organic Chemistry	
Current and previous faculty position (if applicable); Assistant lecturer	
Qualifications: <i>PhD in Organic chemistry</i>	
Professional registration: N/A	
Research experience and interests: Radical reactions, natural product synthesis, aromatic and heterocyclic chemistry	
Current research, research gate and google scholar: find me by my name on Researchgate	
Research training acquired: NMR, MS, X-ray and IR	
Acquired laboratory and clinical techniques: A: Clinical techniques: Standard operating procedures and safe working practices. B: Laboratory techniques: <ul style="list-style-type: none">- Extensive laboratory training on the use of different techniques- Data analysis- Report writing and presenting	
Relevant publications: Almalki, F.; Harrowven, D.; <i>Eur. J. Org. Chem.</i> 2016 , 34, 5738-5746	
Signature: 	Date: 1439/ 1/29
