

Curriculum vitae (C.V.)

Name: <i>Shaker Thabit Alsharif</i>	
Postal address:	
Telephone number: 0597742662	Email address: stsharif@uqu.edu.sa
Comprehension Languages; Arabic, English	
Current and previous job description; Pharmacist, Demonstrator	
Current and previous faculty position (if applicable); Demonstrator, Pharmaceutical Chemistry Dept	
Qualifications: <i>PharmD, MSc</i>	
Professional registration:	
Research experience and interests: Analytical chemistry	
Current research, research gate and google scholar::	
Research training acquired:	
Acquired laboratory and clinical techniques: A: Clinical techniques: Medicine B: Laboratory techniques: Spectroscopy, Dynamic light scattering, Electrophoretic light scattering, Differential dynamic microscopy	
Relevant publications: (1) Latreille P-L, Alsharif S, Gourgas O, Tehrani SF, Roullin VG, Banquy X. Release kinetics from nano-inclusion-based and affinity-based hydrogels: A comparative study. <i>Colloids and Surfaces A: Physicochemical and Engineering Aspects</i> . 2017;529(2):739-49.
