تعتبر قائمة الموردين هذه المعتمدة من قبل مقام الجامعة (الإدارة العامة للمشاريع) بمثابة مرجعية ولإظهار مستوى الجودة المطلوبة.

ويوجد دائما إمكانية لإضافة موردين آخرين منتجاتهم ذات جودة فنية جيدة تتوافق مع مواصفات الجامعة وبخبرة مماثلة في مشاريع سابقة لا تقل عن خمس سنوات.

المالك له الحق في رفض أي شركة مقدمة للاعتماد لا تتوافق مع المواصفات والأكواد المرجعية.

يجب على كافة الموردين الامتثال لتعليمات المكتب الفني من حيث أن على المقاول الرئيسي تقديم أي منتج للاستشاري للدراسة والاعتماد حسب شروط العقد والمتطلبات العامة والمواصفات ومن ثم ترفع إلى مقام الجامعة للاعتماد النهائي.

This Vendor List that's approved by the Client (the General administration of projects) at Umm Al-Qura University can be considered as a Reference and to demonstrate the quality assurance .

There is always a possibility to add other vendors whose products have been in satisfactory use in similar service for not less than 5 years and product data comply with UQU specifications.

The Client has the right in rejecting any Company or workmanship submitted for approval which in the opinion of the General administration of projects (client) does not meet the referenced standards and codes.

All suppliers must strict comply with the technical office's regulations at the University and the main conductor is responsible to submit any product data to consultant for reviewing in accordance with Conditions of Contract, the General Requirements and Codes, then it will be submitted to the Client for the final acceptance and approval.
