G.1.15	The decision to form a supervisory committee for the premises of female
	students
G.1.16	Decision of the Administrative Development Committee
G.1.17	The decision transfer the dependency of some departments
G.1.18	Results of opinion surveys
G.1.19	The views of the stakeholders about the university identity
G.1.20	Circular on the plan
G.1.21	Draft Budget
G.1.22	List of accepted initiatives
G.1.23	Strategic Plan of the Deanship of Development
G.1.24	Strategic Plan of the Faculty of Nursing
G.1.25	Accomplishment report of the strategic plan
G.1.26	Decree to establish of Initiative Management
G.1.27	Description of the role of the Office of Initiative Management
G.1.28	Conformity matrix for the mission and goals of the institution and some units
G.1.29	The Department of Planning and Budgeting
G.1.30	A report on the events related to TAMKEEN

G.1.31 List of patents

Standard 2: Governance and Administration

Code	Title of Evidence
G.2.0	Formation of institutional standards committees
G.2.1	A sample of the organizational structures and different units of the university
G.2.2	Decisions to form standing committees
G.2.3	Table showing the evolution of the numbers of leaders
G.2.4	Samples of annual reports
G.2.5	Templates for the academic operations
G.2.6	A sample of the decisions of the University Council
G.2.7	Formation of the advisory body and the minutes of its meetings
G.2.8	List of internationally accredited programs
G.2.9	List of University initiatives
G.2.10	The Higher Education Council system and regulations
G.2.11	Strategic Plan 1
G.2.12	Strategic Plan 2
G.2.13	Strategic Plan 3
G.2.14	Statistical numbers of male and female members of the councils
G.2.15	The decision to appoint the female vice rector
G.2.16	Decisions on delegation of powers
G.2.17	Statement of the leaders and their allowances
G.2.18	Approval of the Strategic Plan
G.2.19	Communication on administrative cost centers
G.2.20	Statistics of the academic and administrative cost centers
G.2.21	Code of Job Ethics and Public Service Ethics
G.2.22	Rules governing the ethics of scientific research
G.2.23	Regulations of Job Performance Management
G.2.24	Guidebook for job performance assessment regulations
G.2.25	Regulations of rights and duties of the student
G.2.26	Procedural Guidebook for Service Achievement
G.2.27	Executive byelaws of the regulation of competition and government
	procurement
G.2.28	Regulations governing the affairs of faculty members
G.2.29	Non-Saudis Employment Regulation
G.2.30	Regulation of government competition and procurement
G.2.31	Manual of the approval platform for financial transactions
G.2.32	Documentation platform
ملكة العربية السعودية	ا في المر

G.2.33	Organizational manual of the Deanship of Academic Development and
	Quality
G.2.34	Sample of circulars
G.2.35	News of Achievements
G.2.36	Questionnaire for measuring the performance of the University Council
G.2.37	Founding regulation and establishment charter of Wadi Makkah Company
G.2.38	Terms of reference of the CEO of Wadi Makkah
G.2.39	Minutes of the Ordinary General Assembly Meetings
G.2.40	Numbers and formation of male and female administrative staff
G.2.41	Circular on the websites
G.2.42	Sessions of the University Council and the Advisory Board
G.2.43	Practical samples of the minutes of committees
G.2.44	The latest organizational structure of the University
G.2.45	Survey forms
G.2.46	Project for risk management
G.2.47	Office of Initiatives Management
G.2.48	UQU budget
G.2.49	Tabseer campaign

Standard 3: Management and Improvement of Quality Assurance

Code	Title of Evidence
G.3.0	Formation of the committee of the third standard
G.3.1	Formation of the Higher Committee for Institutional Accreditation and the
	committees of standards
G.3.2	Formation of quality committees in the academic programs and departments
G.3.3	The University's strategic plan and examples of plans of faculties and
	academic departments
G.3.4	Manual of Program Development and Introduction
G.3.5	The decision to establish the educational follow-up unit and assigning its
	supervisor
G.3.6	Formation of the Internal Audit Committee
G.3.7	Standard requirements of quality from the educational programs
G.3.8	Examples of internal audit reports of programs and faculties
G.3.9	Examples of the annual reports of the university and supporting deanships
G.3.10	Two institutional self study reports: 1428 AH and 1433 AH.
G.3.11	External Review Report 2013
G.3.12	Executive plans for the recommendations of external audit
G.3.13	Summary of achievement reports of the Follow-up Committee on
	Recommendations
G.3.14	Self-study reports of the seven programs
G.3.15	Reports of the seven programs from NCAAA
G.3.16	Self study reports for the programs of computer and engineering
G.3.17	ABET reports for the Engineering Program
G.3.18	Reports of the German Commission for the Medicine program
G.3.19	Academic Accreditation Manual - Confident Steps Towards Accreditation
G.3.20	Quality System Manual
G.3.21	Decision to adopt the list of indicators from the University Council
G.3.22	Samples of questionnaires used
G.3.23	Budget of the University Vice Rectorship for Development and
	Entrepreneurship and the Deanship of Development and Quality
G.3.24	Budget of the committees of standards and implementation of
	recommendations
G.3.25	The planned budget for academic accreditation for 5 years
G.3.26	Sponsorship of the University Rector of the Forum of Deans of Development
	in Saudi Universities

The University rector receives international accreditation certification
A list of the staff of the Deanship of Academic Development and quality
Procedures for registration of intellectual property and patents
Samples of news of excellence and the launching of awards at the university
Examples of annual reports of educational programs
Samples of questionnaire results from the Oracle system
Internal audit visits schedule
Samples of research and studies in the field of quality
The decision to establish the Deanship of Academic Development and
Quality
Inductive manual and manual of the organizational structure of the Deanship
of Academic Development and Quality
Formation of the quality committee at the university level
Sample program self-study with evidence
Samples of Oracle Reports for Admission and Registration
Examples of reports of the educational follow-up program
Examples of performance indicators and benchmarking of programs
List and measurement of the performance indicators of the Deanship of
Libraries
A sample of the minutes of the Higher Committee for Curricula and
Academic Plans - for the upgrade of programs
Examples of reports of independent correction committees
Examples of random sample correction of student tests
Examples of reports of external examiners' committees
Sample of the opinion of graduates, employers and experts
Examples of independent evaluation of some educational programs
Examples of course reports
Examples of improvement plans
List of patents of the university employees
Analysis of the key and additional institutional indicators
Examples of performance indicators at the level of educational programs.
List of Key and Additional Performance Indicators
List of Internationally Accredited Programs
The 100 days plan
Guides to the QAAS and KPI systems
Quality Policies
Improvement plans
University Council presentation
