ABSTRACT

The idea is for event owners who want to organize an event and do not have a background on how to do it, It also benefits organizers and volunteers who want to organize in an event, and guests who want to attend events, in this platform they will find everything they need about the events. The idea was inspired by the need for a platform that includes all the information about the events and collects everything related to it for all individuals.

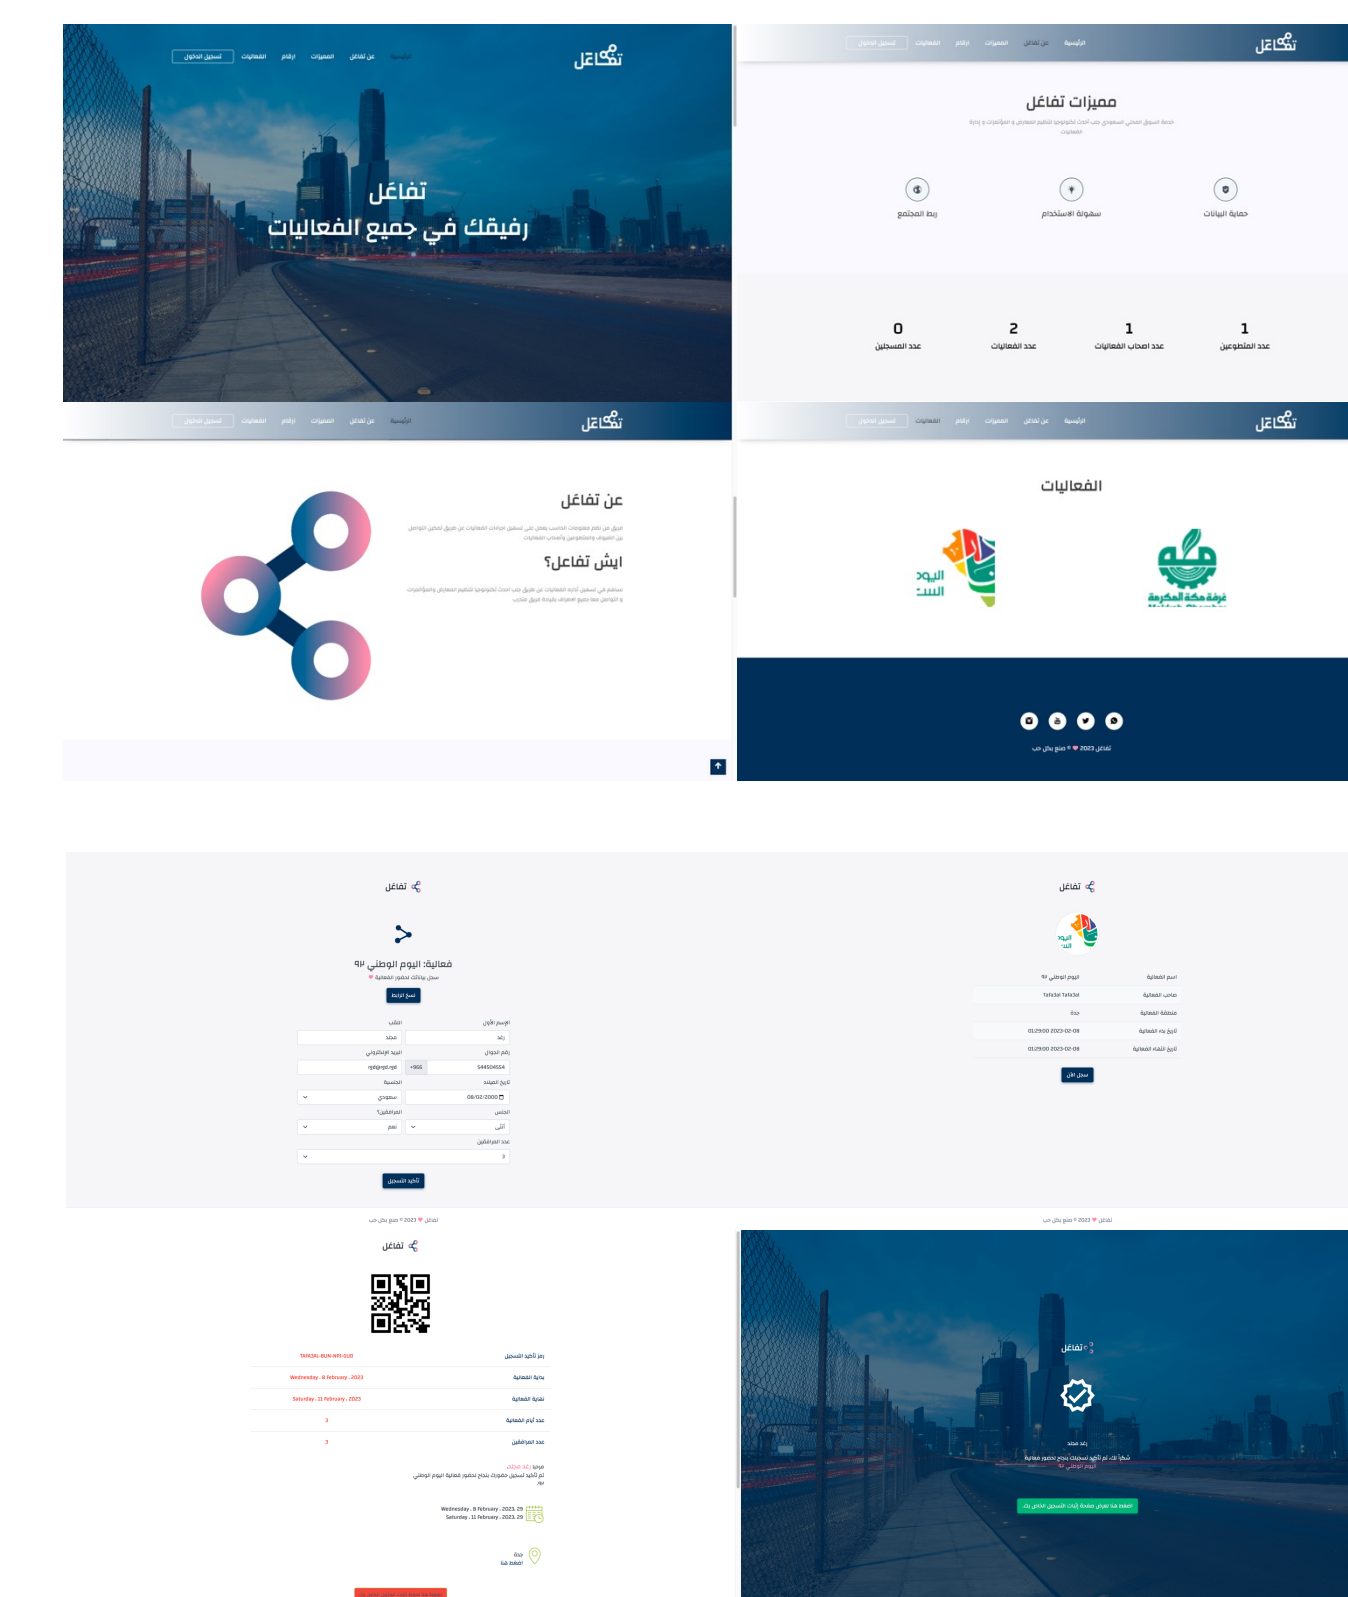

GOALS

- To increase the credibility of the advertisement .
- Announcing the events that will be held better.
- Easily register organizers and volunteers .
- Certified volunteer hours .
- Inform guests of new events .
- Better organization of event owners for their events.
