Information System – Umm Al-Qura University – 2023
Supervised by: Dr. Ghader Reda Kurdi

Are you ready to embark on an educational adventure with Elm?

What feature of our platform are you most excited about?

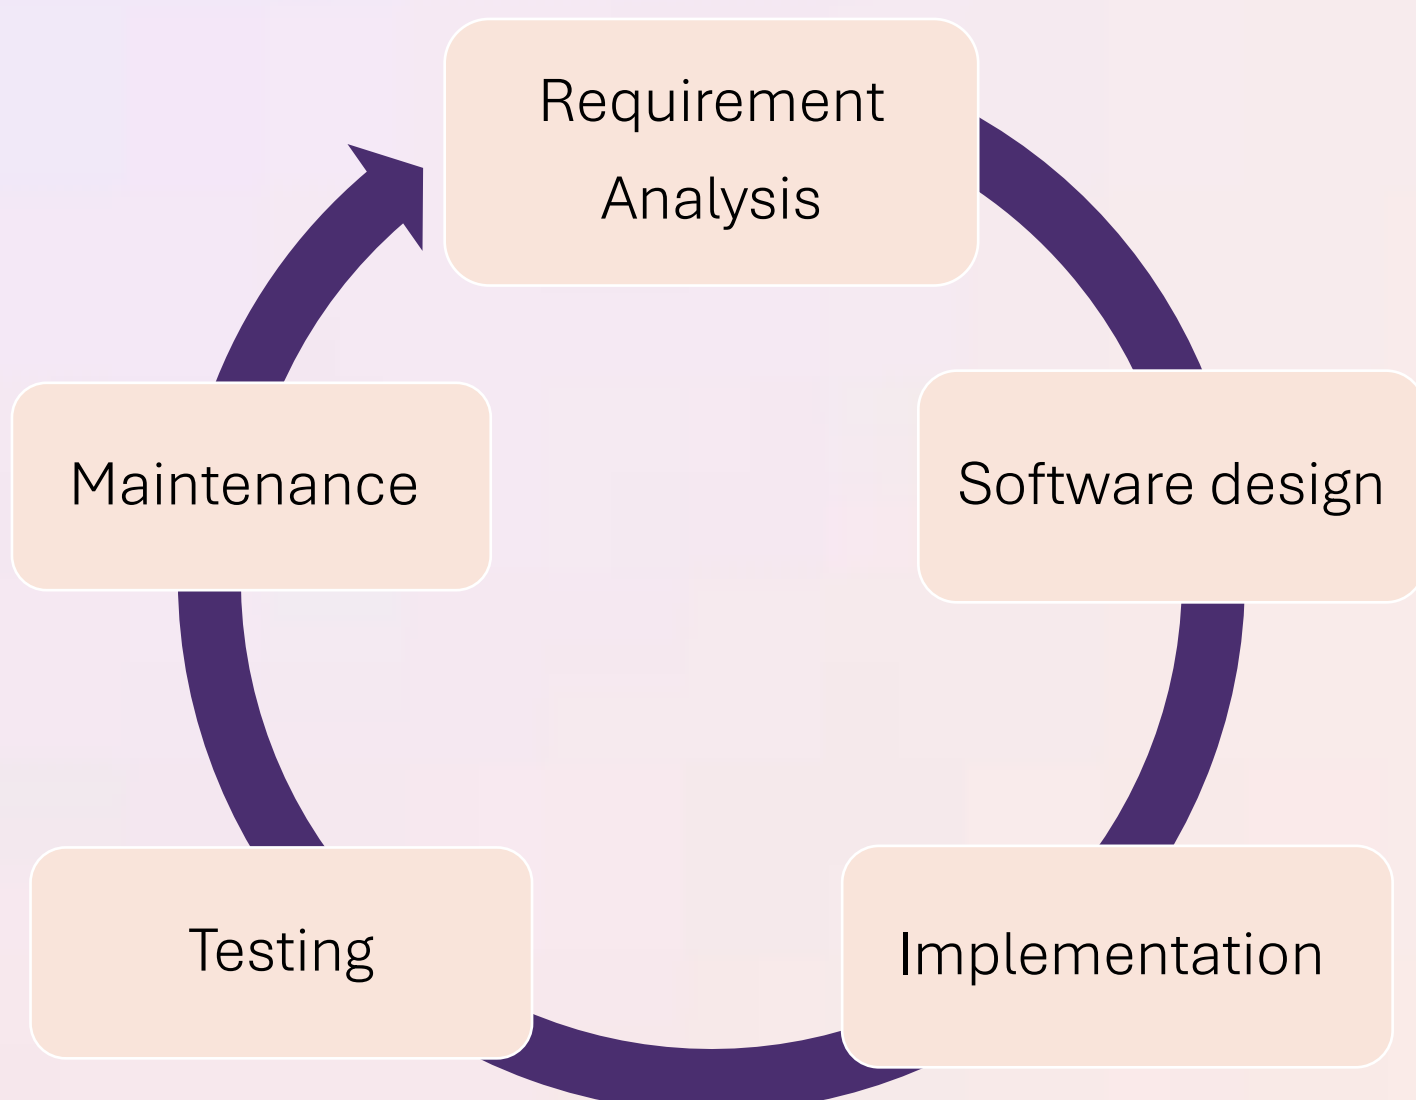

Introduction

Welcome to "Elm," the premier online platform for Umm Al-Qura University students. Enhance your learning journey with our free resources and tools, designed to help you achieve academic excellence. Elm is your gateway to a world of knowledge, whether you're a current student, prospective applicant, or lifelong learner.

Objective

- Develop and implement a free educational website for Umm Al-Qura University.
- Provide valuable resources, materials, and tools to students, faculty, and the general public.
- Enhance the learning experience.
- Promote educational collaboration.
- Empower learners and facilitate knowledge dissemination

Methodology

Tools

Result

Conclusion

Our project has successfully launched a free educational website for Umm Al-Qura University, offering valuable resources and tools to enhance the learning experience.

Future Work:

- Enhance user experience
- Expand content library
- Integrate virtual and augmented reality
- Implement smart learning and analytics
- Foster collaboration among users
