## Abstract

This platform simplifies room design and connects customers with designers and furniture stores to meet their budget. It benefits customers by offering suitable design options and showcases designers' and stores' offerings. BONYAN aims to streamline the room design and furnishing process for all involved parties.

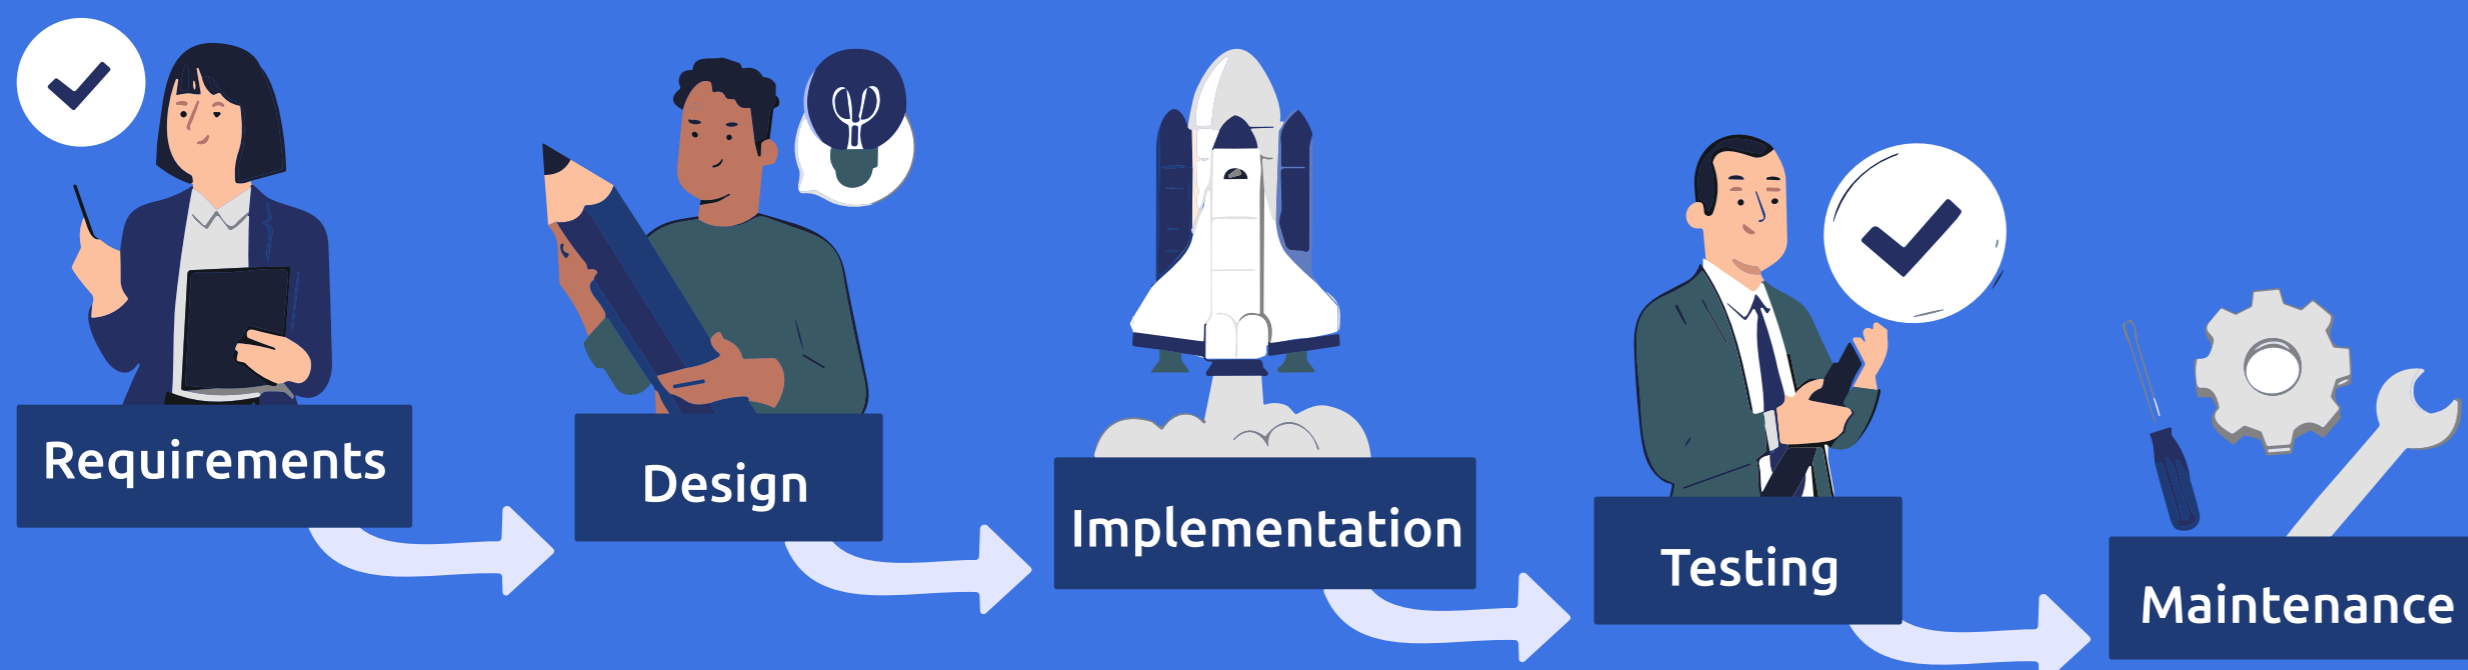

## Objective

- Connecting Customers, Designers And Furniture Stores In One Platform.
- Enable Users To Search For Designers And Furniture Stores Based On Their Needs.
- Facilitate Seamless Communication Between Customers, Designers, And Furniture Stores For A Cohesive Design Plan.
- Provide Designers With A Platform To Showcase Their Work And Increase Opportunities For New Projects.

## App Features

- Give Designers An Opportunity To Highlight Their Talents And Attract The Largest Number Of Customers.
- Saving Time And Effort For The Customer.
- The Possibility Of Converting Room Measurements To 3D

## Methodology

## Tools

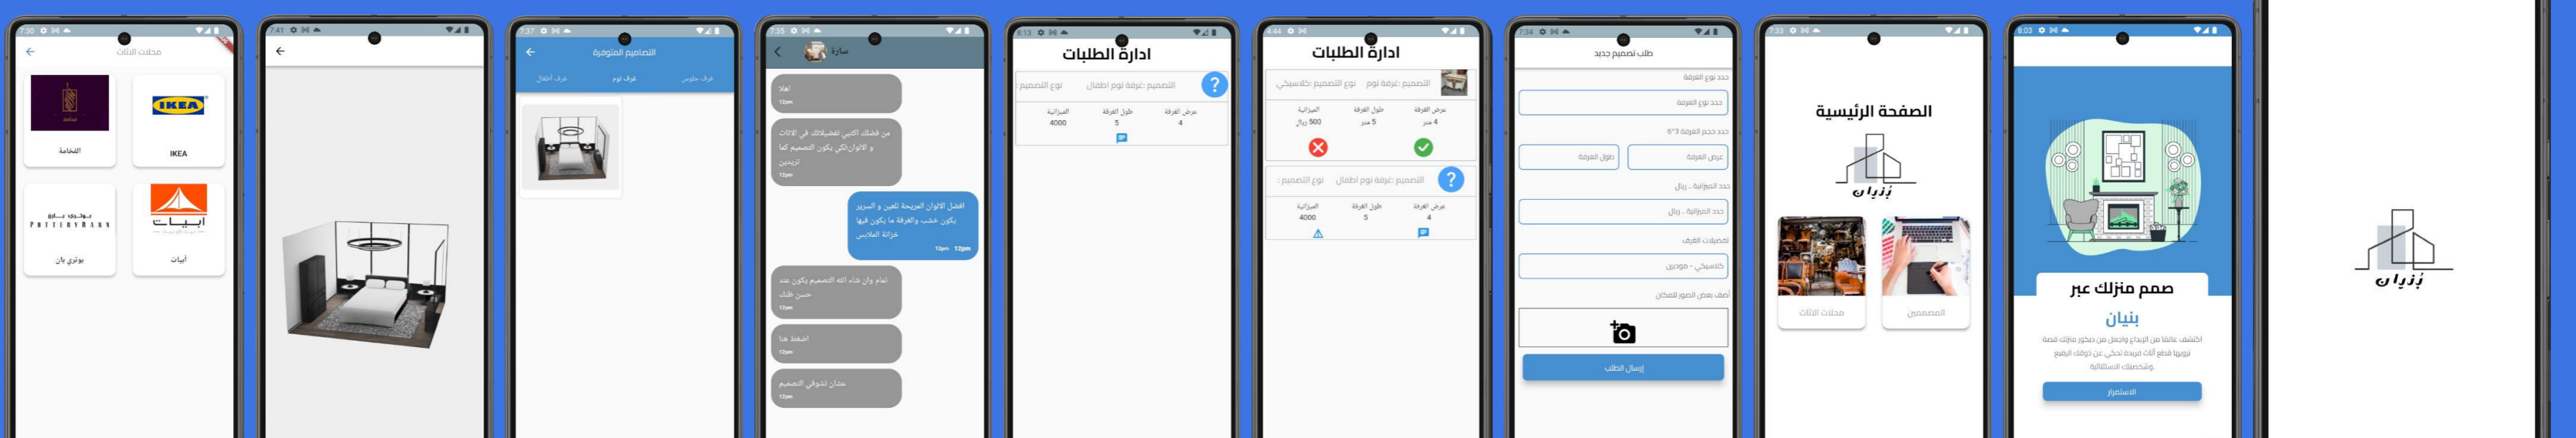

## Conclusion

The BONYAN platform offers a practical and user-friendly solution for customers seeking assistance in designing and furnishing their rooms. By connecting customers with a diverse range of designers and furniture stores, the platform streamlines the design process and helps customers find options that align with their budget and preferences. The platform's ability to create customized designs and provide a convenient shopping experience contributes to a hassle-free room design journey for all parties involved.

## Future Work

- Enhanced Designer Matching
- Augmented Reality Integration
- Collaborative Design Tools
- 3D Model Catalog Expansion
- User Community And Reviews
- Integration With E-Commerce Platforms
